

Pebble Textured Surface

CUSTOM CULTURED MARBLE SHOWER BASE

MAX SIZE: 96" x 72"

- This universal shower floor yields any size one-piece base up to 96" x 70"
- Easy to clean surface, does not promote mold or mildew
- Pebble-textured surface helps prevent slipping
- Tapered floor helps water flow to drain
- PVC water dam comes attached to the base
- Uses standard 2" NPS strainer assembly
- Certified by Home Innovation Research Labs to the harmonized CSA B45.5/IAPMO Z124
- Threshold may be one-piece, three-piece, accessible ramp, or accessible ramp for a shower door. Threshold must be specified at time of order. See Threshold specifications for additional details.
- For out of square or special angles, a rigid template is required
- Optional shower strainer assembly available
